

## CHILD FIND

Child Find refers to the process of locating, identifying and evaluating children with disabilities to ensure that they receive services to which they are entitled. Students between the ages of 3-21, who reside in Jamesburg and are suspected of having a disability, may be referred to the Child Study Team. A meeting will be held within 20 days to review information. At that time, the IEP Team will determine whether to conduct evaluations to determine the student's eligibility for Special Education and Related Services. Please call (732) 521-2135 for additional information.
